PROFILE SUMMARY

MCA graduate from SIES with a strong foundation in Python, SQL, and data analysis. Experienced in working with structured datasets, building dashboards, and deriving insights through descriptive analysis. Comfortable with Excel, Power BI/Tableau, and database querying. Detail-oriented and analytical, seeking entry-level Data Analyst or Analytics Intern roles.

PROJECTS

EQ Zone — Web Based Equalizer Platform([GitHub](#))

Nerul, MH

React, Node.js, MongoDB, CSS, JWT

November 2024 – January 2025

- Developed a responsive equalizer platform for earphones with customizable audio filters.
- Implemented secure user login and JWT-Based authentication system.
- Built and Optimized REST APIs using Node.js for smooth client-server interaction.
- Analyzed user interaction data and feedback to identify usage patterns and performance improvements areas.

AI-Powered PC Builder([GitHub](#))

Nerul, MH

React, Node.js, MongoDB, Tailwind CSS, JWT

February 2025 – April 2025

- Developed a smart PC configuration tool to suggest optimal component combinations.
- Designed rule-based recommendation logic and validated component capability using structured data.
- Worked with datasets of PC components to ensure accurate filtering and selection logic.
- Implemented component capabilities checks and validation logic for accurate build recommendations.

Decentralized Password Manager with Biometric and Pin Authentication([GitHub](#))

Nerul, MH

MERN, Blockchain (Ethereum), IPFS, AES-256-GCM, WebAuthn

September 2025 – November 2025

- Designed a decentralized password manager to eliminate centralized storage and single points of failure.
- Implemented client-side AES-256-GCM encryption with secure key derivation for credential protection.
- Integrated IPFS for encrypted vault storage and Ethereum blockchain for immutable audit logging.
- Evaluated usability and trust through a structured user survey (80+ responses) and analyzed adoption patterns using descriptive statistics.

TECHNICAL SKILLS

- **Data & Analytics:** Python, SQL, Excel, Power BI, Tableau
- **Programming Language and Frameworks:** Python, Java, JavaScript, React, Node
- **Database and Tools:** SQL, MongoDB, Git, GitHub, VS Code, Linux

CERTIFICATIONS

Programming in Java — NPTEL(SWAYAM)

January 2025 – April 2025

Cloud Computing — NPTEL(SWAYAM)

January 2026 – April 2026

ACHIEVEMENTS AND ACTIVITIES

Inter-College Football Tournament— Participant

Nerul, MH

SIES College of Management Studies, Navi Mumbai

November 2025

Demonstrated teamwork, discipline, and competitive sportsmanship.

PIXELS — MCA Department Event (Logistics Team)

Nerul, MH

Assisted in logistics and coordination for a 2-day technical and cultural event including coding and sports tournaments.

March 2025

EDUCATION

SIES College of Management Studies(SIESCOMS)

NERUL, MH

Master of Computer Applications (MCA)

August 2024 – Present

- Percentage: 60.98%

SIES College of Arts, Science and Commerce

NERUL, MH

Bachelor of Science in Computer Science (B.Sc. Computer Science)

June 2020 – April 2023

- CGPA: 8.36 / 10
